Registration of Lamps for import
Procedure for Vendors to submit applications

Vendors are required to submit the following documents while submitting a request for the registration of a lamp.

- Lamp Registration Form for Non-Directional Household Lamps.
- Authorization letter from manufacturer / regional distributor.
- Efficacy & Functionality Requirements” **form in excel format**. Fill CFL / LED / Clear lamps details of lamp of similar type in one excel sheet.
- Lamp catalogues, data sheet, brochures and colored photograph(s) for the lamp.
- Performance test certificates.
- Valid Registration Certificate (CR).

The above documents should be sent to EWA by e-mail (ECS@ewa.bh). The local vendor should apply for registration.

Check list for vendors while applying for registration:

- **Registration Form** is complete in all respect. All entries have been filled.
- **Authorization letter from** manufacturer / regional distributor is attached.
- **“Efficacy & Functionality Requirements”** Form duly filled in all field & information is for applicable type of lamp / lamps.
- **Lamp catalogues, data sheet, brochures and colored photograph(s)** for the lamp / lamps is attached.
- **Performance test certificates** (IEC 60969 & mercury test report for CFL lamp, IEC / PAS 62612 for LED lamp, IEC 60064 for tungsten & IEC60357 for tungsten halogen lamps) of the lamp is issued by an **accredited test lab as per test standard ISO/IEC17025** in respect of compliance to all functionality requirements. Relevant European standards & directives can also be used for the purposes of testing lamp lifetime, lamp survival factor, lumen maintenance and premature failure, and for other test conditions. **The test lab must be ISO 17025 certified & its accreditation authority must be ILAC member.**
- **Valid Registration Certificate (CR) is attached.**

In case if application is found complete, it will be accepted & processed further. Incomplete / non-compliant applications will be returned / informed indicating the reason of non-acceptance & will be informed through email. Vendor will be required to submit all documents once again.

Vendors will be informed through email for approved applications giving details of approved lamps, reference no. etc.
